Mr. Causarano has a strong political message for the residents of Essex:

"Our fundamental Freedoms are being infringed upon, the Cost of Living has become unbearable, and our Health Care System is need of additional and expanded resources. I plan to fight for the constituents of Essex and hold those responsible to account and address policies affecting these issues"

Mr. Causarano will fight for your right to **Freedoms, Fiscal Security** and a functional and sustainable **Health System**
